

Mrs. Bryner's Visit to Arizona.

The Territorial Sunday School Association will hold its tenth annual convention in the city of Phoenix, April 3-5, next. All Sunday schools in the territory are invited to send delegates. The International Sunday School association will be represented by Mrs. Mary Foster Bryner, of Peoria, Ill., who will speak at every session of the convention. Mrs. Bryner is one of the finest Sunday school speakers before the public today, and to hear her will be a great treat to our workers. Before reaching Phoenix she will stop at Flagstaff and Prescott.

Mrs. Bryner will reach Flagstaff Thursday morning the 29th inst., and on the evening of that day a Sunday school banquet will be given in her honor at the Hotel Weatherford. This will be a public banquet and all persons interested in Sunday school topics are invited. Notify either Miss Esther Bullard or Miss Mina Jones if you wish to attend, and secure tickets, which will be sold at 75 cents each. Following the banquet a number of toasts will be responded to, Mrs. Bryner being the principal speaker.

On Friday afternoon Mrs. Bryner will hold a conference with the Sunday School workers of the town, at three o'clock; and at 4:15 p. m. a children's meeting; these meetings to be held in the M. E. church. At 8 p. m. she will speak in the Presbyterian church on some line of Sunday school work. No one should miss the opportunity to hear one of the world's finest Sunday school experts and speakers.

The Army Canteen.

Much as the army canteen has been "represented" and "mis-represented," the facts are these: During the height of the canteen period the per capita savings of our soldiers were \$10.26. The last year of the canteen regime they were \$12.94. In 1905 they were \$25.00. Evidently a rest for the canteen is doing the soldier no harm.—Ex.

The Ruffin Drug Co.

I'M AGAIN in the harness and glad to be back to mingle again with the people of Flagstaff. You will find me at the old Cover Drug Co. store on the corner where I am the main squeeze of the new company.

The drug business is a particular business and the better you know the people the more particular you can be and the better you can serve their wants. There are hundreds of things in the drug line good to know that are strictly a part of the druggist's business. This isn't for sale but its on tap to our friends.

If you don't want anything, come in anyhow and be a good fellow. I am back to stay and if you are half as well pleased as I am over the fact, its my turn to giggle.

We are going to handle everything you want in this line with prices that are honest and fair.
